4. Contact

This request for access to the CBAM register should be sent by email to CBAM@aev.etat.lu for validation and, if signed by hand, then by post to:

Administration de l'environnement
USEE ETS/CBAM
1, avenue du Rock'n'Roll
L-4361 Esch-sur-Alzette

5. Additional Information

- **RCS N°:** The number used to identify the company on the “[Registre des commerces](#)”.
- **UID N°:** The “**Unique Identifier at the Commission UID**” is available in your [EU-Login](#) under the section “**Your account details**”. Example of a number: “**n00uh9hz**”
- **EORI N°:** The “**Economic Operator Registration and Identification**” number is issued in Luxembourg based on the VAT number. Example of a number: “**LU35698421**”
- **eID N°:** The number of the passport or identity card.
- **Qualified Electronic Signature:** Original or electronic signatures are accepted. All European signatures recognized by the eIDAS system are accepted:
 - **eIDAS:** [Welcome to the eSignature page of the European Commission](#)
 - **LUXTRUST:** [Qualified advanced electronic signature to streamline every process](#)
- The email indicated must correspond to the email associated with the UID.
- The signature must be made by the person listed under “Information”.
- A signature copy is not accepted. This form must be completed by a CBAM service provider who is neither the importer nor the indirect customs representative. An account created using this form must subsequently be linked to an importer’s account or that of an indirect customs representative via delegation. A guide on how to carry out the delegation can be found on [our website](#).

The personal data collected by this form is processed in compliance with Regulation (EU) 2016/679 of the European Parliament of April 27, 2016 on the protection of individuals with regard to the processing of personal data. Please navigate to the link <https://environnement.public.lu/fr/support/protection-donnees/aev.html> to see the details of the data protection applied by the Environmental Administration.

6. Annex – Electronic Signature Guide

Follow the steps below to sign a document with Acrobat Reader DC:

WINDOWS and macOS

1. Insert the Luxtrust or eID card into the card reader. If your computer does not have a built-in reader, you will need to connect one separately.
2. Press the interactive field under “Signature” at the bottom right of page 3.
3. Select a valid certificate and press “OK”.
4. Specify where the new document should be saved and give it a name.
5. Enter your PIN code in the pop-up window that appears.

The document is now signed
